BedLiners

DROP IN: The Sierra bedliner works hard wherever you go. The fully ribbed construction protects the truck bed, simplifies cleaning, and allows added airflow to enhance moisture evaporation. The skid-resistant floor discourages light or heavy loads from shifting. The GMC or GM logo is embossed on the headwall. The tailgate liner is included. Tailgate liners are also available separately.

Total Price Installed \$ 340.00

SPRAY ON: A Sprayed liner is a thick polyurethane/polurea elastomer that has a higher abrasion resistance and a higher tear strength than drop-in liners! No lost cargo space! Leaves the normal drainage system of your truck bed intact. Prevents, dirt, water, sand and gravel from ever getting in contact with metal of your truck preventing rust and corrosion. It's thick shock absorbing qualities dampen sound and vibration. Accessories Fit Great, Bed lids, camper shells, fiberglass tops, 5th wheel hitches, tie downs, utility boxes, etc. all fit great because it does not interfere with accessory installation. Adds Value - Whether you spray on a well used or a new truck bed, it will provide years of reliable service. According to the National Automobile Dealers Association (NADA) a spray-on bedliner adds to the resale value of your truck.

Total Price Installed \$ 599.00 under rail
add \$50 for over rail or other colors.

BED RUG

Designed to specifically match your bed contour features gray fiber "carpet" that resists many solvents and chemicals. Water and Stain resistant. Molded foam backing will not scratch your bed..
